What they're missing as they charge pell-mell for Lecce, Gallipoli et al is a profusion of medieval hilltop towns, olive groves, a coastline peppered with interesting towns, more olive groves, restaurant menus stuffed with local speciality dishes, two national parks, vineyards, yet more olive groves, and enough castelli, cattedrali and palazzi to keep even the most demanding of history buffs content.. Hug the coast from Vieste in the north-east to Brindisi in the south, before turning inland to take in the città bianche.
